Notice for employment opportunities

The Ground Crew will be hiring qualified employees, during the spring and summer of 2014, for the following full-time positions:

- Project Manager, Entry Level
- Horticulture/Turf Grass Specialist, Entry level

We will not be hiring summer interns this year, and will not be considering any applications for the position.

The Ground Crew is accepting all applications currently and will begin interviewing for the above positions when a desirable number of applications has been reached. A brief description of the job and what is expected of the preferred candidate will be provided below, along with the required materials for submitting an application.

It should be noted that these positions are In-Field. The selected employee will spend the majority of their work day outside in the elements working with construction and landscape maintenance crews. As well, the typical work schedule involves upwards of 12 hour work days up to 5 days a week, along with some weekend work, for those who would like to make additional income.

Who we are

The Ground Crew is an independent corporation, of green industry professionals, in the Brazos Valley. We are an Aggie owned and operated, landscape maintenance and design/bid/build landscape construction firm. Though we are a small company, in number of employees, we have a large footprint in the Brazos Valley/Northwest Houston landscaping industry. We are noted for our efficiency, quality of work, and customer satisfaction and have been the recipient of 5 straight "The Eagle Readers Choice Awards" for "Best Landscaper". We specialize in commercial and HOA property maintenance and have provided construction services from small residential, design and install, to city beautification projects and provide consultation services for several large construction companies.
