The Club at Carlton Woods is located in The Woodlands, TX, approximately 35 miles north of downtown Houston. Carlton Woods recaptures a bygone time when elegance, sociability, and tradition were priorities not to be ignored. The centerpiece of the Club at Carlton Woods features two Championship golf courses designed by two of the best architects in the country - Jack Nicklaus and Tom Fazio. Both courses are uniquely suited to the distinctly different properties throughout the Woodlands, taking full advantage of the rolling terrain and vast amount of pines and hardwoods. The Nicklaus and Fazio courses are complemented by two outstanding practice facilities including practice putting greens and two distinctively different short game areas.

The Nicklaus course opened in June 2001, and is ranked the #1 private course in Houston by the Houston Chronicle, #2 in Texas by Dallas Morning News and Golf digest added to the list of accolades in 2002 granting us the title of #1 Best New Private Course in Texas and #3 Best New Private Course in America. The Fazio has been awarded #1 Best New Private Course in Texas and #3 Best New Private Course in America by Golf Digest in 2005. Carlton Woods has hosted USGA Open and Mid-Amateur qualifiers and sectionals, 2004 Texas State Amateur & 2011 Texas State Mid-Amateur and AJGA HP Invitational. Both courses have been given the honor to host the 2007 USGA State Team Championship. Future events include the 2013 Southern Amateur and the 2014 U.S. Junior Amateur.
