Groundskeeper, Athletic Fields

Loyola Marymount University’s Facilities Management department has an immediate opening for a Groundskeeper, Athletic Fields. This position is primarily responsible for maintaining five athletic fields by creating safe, high quality playing surfaces for baseball, softball, soccer, and two practices fields. The groundskeeper will prepare fields for both practices and games; provide disease observation and identification; apply fertilizer, pesticides, herbicides, and fungicides with both boom sprayer and spreaders; and operate all necessary equipment pertaining to athletic field maintenance.

Loyola Marymount University shares in a rich intellectual heritage fostered by the Jesuit and Marymount educational traditions and founded on social justice and ethical values. Governed by an independent Board of Trustees, LMU cherishes its Catholic identity while at the same time welcoming people from diverse social, religious, and cultural backgrounds. LMU is in Los Angeles, yet near the Pacific Ocean, offering a dynamic cultural environment.

We seek candidates who are able to work weekends when required. Incumbents are typically expected to possess a two or four year degree in Turfgrass Science or related field or equivalent experience. The incumbent is expected to have a minimum of 2 years experience in athletic field maintenance, and demonstrated knowledge in the areas of athletic field maintenance, including turf, skinned area, pitchers mound, and homeplate. Candidates must possess a valid California driver's license, and maintain a “satisfactory” driving record as evidenced by DMV.

We offer a comprehensive benefits package and competitive salary. Interested candidates may apply by submitting a resume to http://jobs.lmu.edu. Equal Opportunity Employer

If you have any questions about this position, please contact Zach Dodenhoff, Athletic Fields Supervisor at 310-338-4224.
